Dear Scott and Roxane,

How do we thank you enough for all you have done to make the wedding so wonderful for Jamie and Kathrine. The food was fabulous and your attention to detail was so appreciated. I cannot tell you the number of people who came up to me to rave about the food you prepared. It amazes us that you two do all of this and make it seem so effortless. You never get flustered or impatient. To say the least ~ WE ARE IMPRESSED. To work with young people who represent themselves and their business so professionally was a treat.

We look forward to keeping in contact with you. Please know how grateful we are for all of your hard work.

Fondly,
Bill & Tharjie Sibbits
